

## **Missouri Referee Program – MYSA State Cup 2010**

Dates: June 10-20, 2010 Venue: Legacy Park in Lee's Summit, Missouri (K.C., Mo)  
Primary Assignor – Jeff Kollmeyer, SYRA/SDI (SYRAMo@att.net)

MYSA has put a moratorium on any sanctioned youth events (league play or tournaments) state-wide in Missouri on these state cup dates.

1. Referee Hotel; Courtyard by Marriott. General criteria for hotel being provided: Referee should live outside district of venue or greater than 65 miles from the assigned venue. These Comp. Rooms are only authorized and provided through Primary Referee Assignor.

If referees live over 1 hour from assigned venue, hotel will be provided the night before if their first assigned game is before 9 a.m..

LIMITED hotel rooms are provided by MYSA FREE based on double occupancy. If a referee wants/needs a single room, he/she must agree to provide the hotel his/her own credit card for the other half of the unoccupied room. Such arrangement must be made at or before the time of check-in. Hotel rates are calculated at **\$79.00** per night.

**All assessments for upgrade requests must be submitted with the initial application. Out of state referees must have prior approval for the requested assessment from their home SDA.**

2. Games and Fees:

Primary Assignor will make every attempt to assign out of town referees 3 games per day minimum, provided they are available for that full day. This arrangement is in lieu of mileage since it is too difficult to track and agree upon. Base game fees are as follows;

Age Group	U-13/14	U-15-16	U-17 – U-19
Referee	\$50.00	\$60.00	\$75.00
A.R. 1	\$25.00	\$30.00	\$40.00
A.R. 2	\$25.00	\$30.00	\$40.00
4 <sup>th</sup> Official	-	\$25.00	\$30.00

\*\*\* Higher Referee Grade Premium Pay Option; Provided grade 6 or higher referees make themselves available for

**5 consecutive days minimum or 5 days total (with the Primary Assignor's consent);**

If they are a Grade 6 referee – an additional **\$5.00 per assignment** premium will be paid.  
If they are a Grade 5 referee – an additional **\$7.50 per assignment** premium will be paid.  
If they are a Grade 4 referee or higher, an additional **\$10.00 per assignment** premium will be paid.

These criteria **WILL** be publicized well in advance and **STRICTLY ADHERED TO.**

Note: Emeritus referees are welcome to apply, except that they **MUST** be considered a Grade 8 for assignment and pay purposes **UNLESS** they have met the same requirements as the active referee grade that they are taking games away from by being there. That means they must have all their required annual maintenance assessments, complete the

physical testing and pass the written test for the grade they wish to be assigned as. They also must have met those USSF requirements prior to applying for cup.

On the Wednesday night, June 9<sup>th</sup>, there is a **mandatory** pre-tournament assignment meeting for all referees wanting to work the first 5 days of cup.

On the Tuesday night, June 15<sup>th</sup>, there is a **mandatory** assignment meeting for all referees wanting to work the last 5 days of cup..

3. MYSA will ensure that all referee payroll be completed within 2 weeks of submittal from the Primary Assignor.
4. All referees must be registered with USSF for 2010 **PRIOR** to applying to referee at cup. Out-of-state referees will be considered/accepted **ONLY** with through and with the approval of their SRA or SYRA. **NO Grade 8 referees will be accepted from out-of-state.**

All out-of-state referees will be required to provide proof of risk-management clearance in their home state or create a new gotSPORT referee profile for/under Missouri.
