

REFEREE REQUEST For Upgrade Assessment 2010

If you are planning to upgrade from grades 8, 7, or 6 in 2010 you are responsible for the cost of your assessments. You must complete this form and mail with appropriate payment to the State Referee Committee. In order to complete all your required upgrade assessments in the same year, it is recommended that your decision to upgrade should be done as early in the registration year as possible.

Last Name: _____ First Name: _____

Address: _____ City: _____, MO. Zip: _____

E-mail: _____ USSF I.D. # _____ Grade _____

Grades 5, 6, & 7 your registration fee for 2010 included the cost of a required "Maintenance Assessment" but two additional assessments are required for upgrading. If you are planning on upgrading then you must notify the SDA or DAA beforehand so that your maintenance assessment can be completed as a upgrade assessment, if you fail to do so and you perform a maintenance assessment then it can not be used as one of your upgrade assessments and you will required to pay for another assessment.

For Grade 8 there is no assessment fee in your re-registration fees. However if you desire to upgrade then you are required to have one passing assessment for upgrading.

All upgrade requests for 2010 will require the completion of this form; it should be printed and mailed to:

Neil Hantak - SDA
7626 General Sherman Lane
St. Louis, Missouri 63123

The cost of the upgrade assessments are as follows:

- If you are upgrading from Grade 8 to 7 then the cost is \$50.00 for one assessment.
- If you are upgrading from Grade 7 to 6 then the cost is \$125.00 for two additional assessments.
- If you are upgrading from Grade 6 to 5 then the cost is \$150.00 for two additional assessments.

Any additional assessments that are needed will be done at a cost of \$75 after payment is forwarded to the State Referee Committee.

Checks should be made payable to MRDP.

I hereby certify, by signing/submitting this form that I am requesting the necessary assessment(s) to be upgraded. I know that I am responsible for obtaining the appropriate level of game(s) required and notifying the SDA or appropriate DAA of those games so that an assessor maybe assigned. I also know that if the game chosen does not qualify as a ratable game then I must make up that assessment. If I fail the assessment then I must get a two passing assessments for the failed assessment. I am aware that I am responsible for the additional cost of those assessments. I must also complete all the other registration requirements of USSF and Missouri for 2010.
